In order to restrict the spread of COVID-19, please ensure that you adhere to the ‘Social Distancing’ Government Guidelines, do not approach within 1+ to 2 metres of others and do not CONGREGATE in groups of more than 6 persons. We are experiencing a very high volume of LITTER on all our parks so in order to assist our part-time staff, we would ask you to use the litter bins provided and if full, please take your litter home with you including glass bottles which can be collected by the Borough Council on your ‘doorstep collection service’ every 2 weeks.

Thank you.
